Melksham

rail user group

Dear Members and Supporters,

Melksham Rail User Group newsletter

Issue 5 - August 2020

Public Transport News for Melksham, Wiltshire

Inside this issue:

Page 2	Consultations
3	Around Melksham Quiz
4	Santa Trip 2020
4	Take a trip by train to Swindon
5	The Melksham Hub - Car Parking and Cafe News
6	A review of August public transport for Melksham - what is running
7	Map of Melksham Public Transport
8	Public Transport Travel advice and map of Melksham
9 - 16	Complete timetables - trains, buses and coaches
17	Dates for your diary
17	MRUG to become Melksham Transport User Group?
18	The Sunflower Hidden Disability Scheme
18	Train running report for July 2020

We were delighted to meet with old friends and new on Saturday, 25th July in the Market Place:

- * To make people aware of public transport availability - when and where from Melksham
- * To help inform people about the "new normal" on public transport
- * To keep people in touch with MRUG and other transport changes in Melksham

Our objective was not to promote "filling the bus or train" - just to help people travel where they are and feel safe, and where there is plenty of capacity and things to do at destination.

Our timetables for all Melksham's public transport for August 2020 and advice on its safe use in the "new normal" are all online at <http://melksh.am/go> and are also attached to the end of this newsletter.

~~We hope to see you too at **Melksham Station from 10 a.m. to 2 p.m. on 28th August** for the grand opening of new car park - further details on our web site and Facebook page over the next weeks. Meet GWR, TransWilts, Knorr Bremse, other local businesses and MRUG.~~

Update - 6th August - No longer a public event

Consultations

The MRUG officers met on 23rd July and finalised the group's response to the draft Melksham Neighbourhood Plan consultation which closed on 27th July.

- Amend to note that current train service is only every 2 hours each way
- Walking and cycling are distance limited and public transport is the best option for many longer journeys

- Old Bath Road from Old Broughton Road to the A350 underpass should be shown as a key walking and cycling route
- A path for walking and cycling should be provided between the station and Foundry Close
- A path for walking and cycling should be provided between the Farmer's Roundabout and Conigre Mead
- The Town Bridge is a key walking and cycling route and care should be taken to make it easier for everyone to use

Please ask the secretary or editor of this newsletter if you would like a complete copy of our response.

Closing on 24th September 2020 - "Reforming Public Transport after the Pandemic" Consultation from the Parliamentary Transport Committee. See <http://www.passenger.chat/23843>

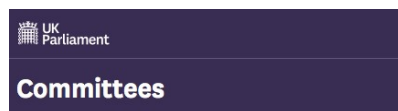

The committee writes - "We are particularly interested in the long-term implications of the pandemic for:

- * the use of public transport and the way that people choose to travel, both locally and for longer domestic journeys;
- * central and local governmental transport priorities and finances and funding for transport;
- * the devolution of transport policy-making responsibilities and powers;
- * the resilience of the transport system for future crises;
- * the decarbonisation of transport and the capability to meet net zero carbon emissions targets by 2050;
- * innovation and technological reform within transport."

These are matters which will most certainly effect Melksham just as they will effect all other public transport in England, and to a lesser extend Wales and Scotland. Just how much effect / difference an input from the Melksham Rail User Group would be, or indeed whether we have the expertise to make meaningful input, will be discussed in coming weeks.

A regional response with TravelWatch SouthWest may be appropriate.

Newsletter reader feedback is welcome.

Inquiry launch: Reforming public transport after the pandemic

24 July 2020

The longer-term implications of the coronavirus pandemic for the UK's public transport are to be examined by the Transport Committee.

Send us your views

Decarbonising Transport
Setting the Challenge

Closing 31st August 2020 - "Creating the transport decarbonisation plan - call for ideas".

<https://www.gov.uk/government/publications/creating-the-transport-decarbonisation-plan>

Consultation asking the public about their ideas for:

the steps we should take to reduce emissions from transport
creating a plan to ensure the UK transport is net zero in emissions by 2050

Around Melksham Quiz

There is so much to see and do around Melksham ... why not get out and walk around this summer?

In late May, we launched the "Melksham Lockdown Quiz" where we asked you to identify locations around the town and surrounding countryside within easy walking distance. Each time you take the quiz – still online at <http://www.mrug.org.uk/qj20.html> – you'll be given 15 pictures at random from a library of 267 and four multiple choice answers.

360 sets of complete answers were submitted for marking (to 30th July), with an average score of just over 10 out of 15. Only 5 submissions out of the 360 got all 15 right – congratulations to each of those five if you were one of them. We do not gather any personal data ... so (sorry) cannot send you certificates!

Here are some of the ones that everyone got right ...

Town Bridge

Church Walk

and some that gave people real problems in identifying:

The path from Western Way to Portal Road

Newtown Farm, near the Kennet and Avon Canal

Santa Specials

Since 1995, the Melksham Railway Development Group (now the Melksham Rail User Group) has hosted Santa on the train from Melksham every year (but one) in the lead up to Christmas on a "Santa Special" outing. Santa will be available to us again this December, but in these exceptional times and putting safety first, it's unlikely that we'll be able to run the trip as normal. A final decision will be taken in September, and confirmed in the October issue of this newsletter. *Pictures – from the Santa trip in 2007 and 2019*

Please take your own trip to Swindon

Present advise is that with social distancing and facemasks, the train is just as safe to visit as a shop, and passenger numbers are low so that there's plenty of space for your independent journey. So that – although the Santa Trip is probably off – we're suggesting you might like to take your family up to:

Designer Outlet

- 15 minutes from the station, re-opened

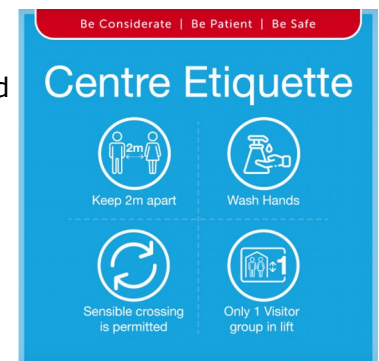

Oasis leisure Centre

- re-opened, requires prebooking

Town Centre shops

- 10 minutes from the station also open

Steam! Museum temporarily closed.

Train fare, off peak day return to Swindon - £7.80 for adults, £3.90 for children aged 5 to 15. 34% off for groups of 3 or more adults (pay on the train and ask for "Groupsave").

Suggested trains from Melksham at this fare:

10:02 and 12:32 on Monday to Friday

07:53, 10:21 and 12:21 on Saturday

08:37 and 11:00 on Sunday

The journey takes between 25 and 30 minutes. Tickets valid for return on any train the same day – here are some examples from Swindon:

13:14, 15:14, 17:36 and 20:45 on Monday to Friday

13:05, 15:05, 17:34 and 19:34 on Saturday

15:39, 17:45, 19:27 and 21:10 on Sunday

Melksham Station is just 10 minutes walk from the Town Bridge. There is also plenty of parking available at the station – see <https://melkshamhub.co.uk> for charges and other details.

The Melksham Hub and its web site

As we went to press last month (on 1st July), TransWilts took on a lease of the land across from the station for an extended car park and Melksham Hub. As part of the Masterplan for Melksham station, they are enhancing facilities there helping towards a station fit for handling not 3,000 journeys per annum (as it was a decade ago), not 75,000 journeys per annum (last year), but over 250,000 journeys per annum as it will be within the decade.

New (repurposed from Chippenham) displays on the platform, and overlooking what is now short term parking, keep passengers (and collecting drivers) up to date on train running, supplementing the screen at the station gate .

Work is underway on the car park extension. “We will be holding a Grand Opening of the new car park area at Melksham HUB on Friday 28th August.” write TransWilts. And in the next couple of months that will be followed by The Hub Cafe. “September/October 2020: Refurbishment and fit-out followed by opening by new café operator” - from <https://melkshamhub.co.uk/hub-cafe/>

There’s a new car parking system too.

A bigger car park needs more looking after, and the landlord of the bigger area wants his cut, so car parking charges have been introduced. Parking remains free of charge for up to 30 minutes, and there are extra spaces reserved for this purpose (and also disabled spaces) close to the station gate. Spaces previously available for rail parking in bays on Station Approach are now reserved for a local business’s use. Car parking is covered on the Hub website at <https://melkshamhub.co.uk/car-parking/> ; TransWilts may be reached via sophie@transwilts.org or on 07379 175055. The Melksham Rail User Group has a copy of the signage at <http://www.mrug.org.uk/cptc.html>

SMART PARKING		Parking Tariffs Apply	
Monday - Friday		Saturday - Sunday	
Up to 30 minutes	FREE	Up to 30 minutes	FREE
Up to 1 hour	£0.30	Up to 1 hour	£0.30
Up to 2 hours	£0.60	Up to 2 hours	£0.60
Up to 3 hours	£0.90	Up to 3 hours	£0.90
Up to 4 hours	£1.20	Daily (expires 23:59)	£2.00
Up to 5 hours	£1.50	Season Tickets	
Daily (expires 23:59)	£2.50	Monthly	£50.00
Up to 24 hours	£3.60	Quarterly	£145.00
Weekly Tariff (pay for 5 days, park for 7 days)	£12.50	Annually	£400.00
<p>Parking tariff applies 24 hours a day, Monday - Sunday This includes Electric Charging Points (Duration of stay calculated by ANPR cameras from point of entry to point of exit)</p>			
<p>Motorists must enter their full correct vehicle registration when using the payment machine.</p>		<p>Park within bays/ in designated areas</p>	
<p>Failure to comply with the terms & conditions may result in a Parking Charge of: £100.00</p>		<p>Disabled concessions do not apply</p>	
<p><small>Smart Parking Ltd may request the registered keeper details from the DVLA for any vehicle parked in breach of the advertised Terms and Conditions for the purpose of serving a Parking Charge Notice generated from the ANPR evidence. (Please see full Terms and Conditions signage).</small></p>			

timeline (from the Melksham Hub site)

“First phase (Southern Car Park) – due 31st July 2020: 20 parking spaces including 2 EV + motorcycle spaces together with short stay and disabled parking places provided by GWR on their land adjacent to the platform. Second phase (Northern Car Park) – due 31st August 2020: 33 parking spaces including additional 4 EV (subject to demand) and further motorcycle spaces”

A review of Melksham's public transport for August 2020

All Melksham **local bus services** are now running to their pre-Covid planned timetables, though with extra social distancing, a request to pay contactless if you can, and a requirement to wear a face mask unless you are in one of the exempt groups. Local operators and observation suggest that there is plenty of safe capacity.

The **National Express Coach** to London resumed a few days ago. It now leaves Melksham later.

Train services are running 7 days a week. A few trains that were planned are not yet running. Thanks to GWR for listening to our inputs on key services.

Please take care when you are out and about. Take decisions based on your personal circumstances.

Please wear your face mask if you can, even if technically exempt but it's safe for you to do so.

If you are exempt and not wearing a mask, please take extra care to distance yourself from others.

Timetables for all Melksham Public Transport, and an advise sheet and index, are online at <http://melksh.am/go> and attached to the end of this newsletter

Melksham Public Transport – as at 27th July 2020
correlated by Melksham Rail User Group

MRUG timetable sheet 1 of 5, 26.7.2020

Sheet 1: This index and general travel advice

Sheet 2: Swindon – Chippenham – Melksham – Trowbridge – Westbury (GWR)

Sheet 3: Bath – Melksham – Devizes (Bus 271, 272, 273)

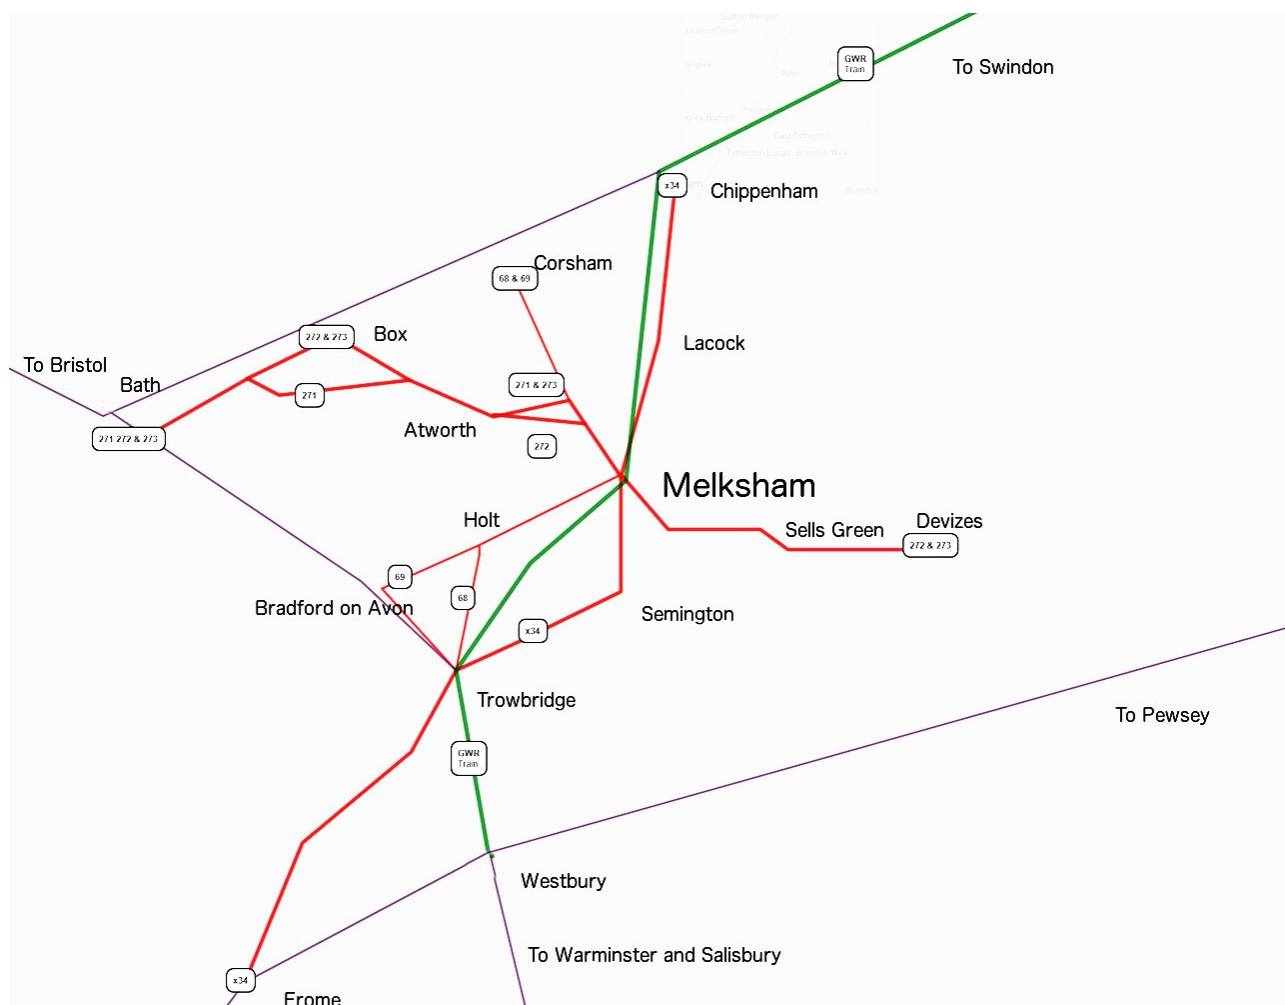

Sheet 4: Chippenham – Melksham – Trowbridge – Frome (Bus x34)

Corsham – Melksham – Bradford-on-Avon – Trowbridge (68 & 69)

Frome – Melksham – Swindon – Heathrow – London (National Express)

Sheet 5: Melksham Town Bus (Routes 14 and 15)

Marlborough – Calne – Melksham – Bath (Royal United) (x76)

Data on these sheets has been checked as of the date on the top of each sheet, but is supplied "Errors and Omissions Excepted". At the current time, timetables are changing frequently and we suggest you check online for an update prior to travelling. Timetable at <http://melksh.am/go>

Melksham
rail user group

Most buses call at the Market Place. Exceptions:
 * National Express for London calls on **Spa Road**
 * Service 14 for Melksham Forest from **Lowbourne**
 * Service x76 calls in **Lowbourne**

Trains call at Melksham Station - a 10 minute walk from the Town Bridge

Main stops – bus and train symbols. Some buses also call at other town stops indicated by pushpins

Let's travel safely this summer

Travel at quieter times

Wash your hands

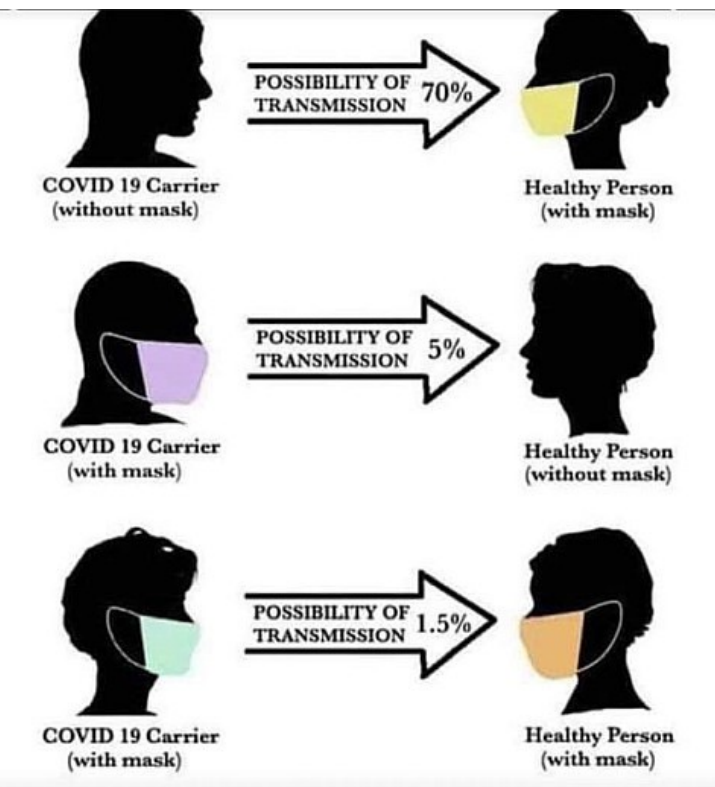

Wear a face covering

Help keep our buses safe

- You must wear a face covering on public transport
- Take a window seat, avoid standing and leave space in front and behind you.
- Please be patient and wait for passengers to get off before you board a bus
- Do not stand or queue in the aisle or next to the bus driver

STAY ALERT • CONTROL THE VIRUS • SAVE LIVES

Wear a face
covering

Melksham Station is just a ten minute walk from the Town Bridge, on Station Approach which is in the fork between the Bath and Chippenham Roads.

An underpass for pedestrians and cycles ensures that people on foot do not have to cross any major roads between the town and the station. Sheltered cycle space is provided at the station. You can also take your cycle on the train.

Some adult fares from Melksham:

Day return to Swindon £10.50 (£7.80 after the 07:53, all day at weekend)
 Day return to Westbury £4.90 (£4.10 after the 06:36, all day at weekend)
 Day return to Bristol Temple Meads £12.40
 Day return to Clifton Down £12.60 (£10.50 after the 07:53, all day at weekend)
 Children under 5 - free of charge. 5 to 15 years - half fare.
 Groupsave (a third off for groups of three or more) on off peak fares.
 If you hold a railcard, railcard discounts are available on the quoted fares.

A ticket machine is available at Melksham Station or you can book ahead online.

Car Parking at Melksham Station – The TransWilts Community Interest Company are leasing the site from Wiltshire Council from 1st July 2020. Smart Parking are managing the car park from 31st July. Queries should be addressed to <https://www.smartparking.com/contact> or <https://melkshamhub.co.uk/car-parking/>

30 minutes	£0.00
1 hour	£0.30
2 hours	£0.60
3 hours	£0.90
4 hours	£1.20
5 hours	£1.50
Daily up to midnight	£2.50
Daily after 10am up to midnight	£2.00
24 hours	£3.60
Weekly (pay 5 days, park 7 days)	£12.50
Weekend daily rate to midnight	£2.00

Season tickets <small>Payment for season tickets is only available via the RingGo app</small>	
Monthly	£50.00
Quarterly	£145.00
Annually	£400.00
Electric vehicle charging points	Parking tariff applies

TransWilts write: “Melksham Station’s car parking will expand to 52 parking spaces. Up to 30 minutes car parking is free either at the platform in the short stay spaces or in the Hub car park. There are designated disabled spaces adjacent to the platform. Motorcyclists can park free of charge in the designated area. We are installing lighting and CCTV coverage for both the car park and café areas. **Parking charges will be introduced from 31st July.**

We’re pleased to say our flexible parking tariffs are competitive compared to charges at other local stations. Parking is 30p per hour and an annual season ticket provides year round 5-day-a-week parking for £1.60 a day. The ticket machines in both the south and north car parks will take cash and

a credit/debit card. We’re installing Automatic Number plate Recognition Cameras. These will record entry and exit times to check for over-stays.

Parking can also be paid for using the RingGo App. RingGo is particularly handy if you need to extend your parking when a returning train is delayed or cancelled. Cheaper than incurring a parking ticket!

We will provide parking spaces for electric car users. This will be strictly reserved for electric car drivers for recharging use only.”

Melksham

rail user group

Dates for your diary

Friday 28th August 2020

~~10 a.m. - 2 p.m. Melksham Station - grand opening of new car park~~
Edit for versions 1.1 - 6th August 2020 no longer a public event on that day

Wednesday 16th September 2020

from 7:30 p.m. - Melksham Rail User Group meeting

The MRUG meeting will be **online** via zoom. We hope to be able to safely meet in person too - with a zoom access to our location, either indoors at the United Reform Church Hall (where there is plenty of space) or in a spacious garden. We will be clearer which of these extra options will be available for the next news letter.

Melksham Rail User Group to become Melksham Transport User Group?

On the table for our September meeting - a proposal to rename the Melksham Rail User Group to the "**Melksham Transport User Group**". It's been informally discussed amongst our officers and active team.

We are so much more bus, cycle and walking concerned now - indeed you'll find 6 pages of bus and coach timetable, and just 2 pages of train timetable in this newsletter - though other news remains predominantly rail. Working with local authorities, councils and bus as well as train operators, and with many of us travelling by bus just as much as by train, our name should reflect our members and goals.

We would / will still very much support TransWilts. TransWilts have moved on from being a community group which was founded by MRUG volunteers. They are now rail and local government lead, with a salaried staff, Department for Transport designation, franchise and council funded, and policies which guide their activities. Whilst they can be (and are) innovative, they cannot easily be maverick any longer, even if that would be in Melksham's interest.

We will also remain the Station Friends group for Melksham Station - supporting and marketing station use, assisting with surveys, with our members helping as volunteers in weeding, cleaning, informing passengers, etc, in the station area. Also keeping an eye open for safety, security and other issues that need attention and acting / reporting as appropriate. With a staffed cafe due to open across the way in the early autumn, with TransWilts contracting or employing an operator, we do anticipate that operator will be willing, able, and logical to look after daily attentions at the station which a volunteer group might do at totally unstaffed locations.

Putting some scale ...

* Passenger numbers have risen from 3,000 to 75,000 per annum and are forecast to rise beyond 300,000 in the next few years

* MRUG is / has been run purely by its volunteers and will continue as MTUG in that way, with an income of around £1,300 per annum. TransWilts annual report for 2019/20 reports an income of £87,000 for the year. See <https://transwilts.org>

MRUG -> MTUG:

- looking after local community support and marketing
- all Melksham sustainable transport.

TransWilts CIC:

- medium, long term and big projects for rail in Wiltshire
- operating company for the Melksham Hub

The Sunflower Hidden Disability Scheme

The Hidden Disabilities Sunflower - for when you need ... assistance. support. more time. <https://hiddendisabilitiesstore.com>

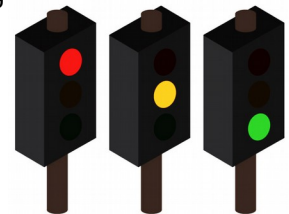

Wearing the Hidden Disabilities Sunflower discreetly indicates to people around you including staff, colleagues and health professionals that you need additional support, help or a little more time. Above all, it is used anywhere where people meet.

Now recognised by all passenger train operating companies on the main UK Network.

The scheme operators write (28th July 2020): "We are delighted that all train operators across England, Scotland and Wales and Network Rail are signed up to the Hidden Disabilities Sunflower scheme, with staff being trained to identify the Sunflower when people choose to wear a lanyard or show a card. This is a part of the rail industry's commitment to make the railway more accessible for more people."

Train running report for July 2020

Most of our Sunday trains restarted on 12th July. Services are now running 7 days a week, though with a few timetable reductions. Reports from passenger using the trains are that they are still quiet, but that there was been a significant increase in numbers in during the month. 406 trains were timetabled to call at Melksham in July; there would have been 515 with a full timetable. We have moved up from red to amber - not yet full service "green" with everyone encouraged to travel in the way they used to, but rather there and available for all – please do so in moderation.

For the calendar month of July

11 trains cancelled
10 trains significantly late
97.0% ran (franchise target 98.5%)

1 train shown cancelled but reinstated
32 trains just a little late, 352 on time
94.6% public performance measure (target 90%)

For the last week of July

11 trains cancelled
4 trains significantly late
89.9% ran (franchise target 98.5%)

1 train shown cancelled but reinstated
10 trains just a little late, 93 on time
86.6% public performance measure (target 90%)

A reasonable performance month, but if fell apart in the final week with cancellations on 4 out of the 7 days from the already-reduced timetable.

The picture (© Bob Morrison, with thanks) illustrates the problem. local trains cancelled to let long distance expresses to be diverted via Melksham. Occasionally, OK. Multiple times in a week - problem.

We are asking for diverted trains which replace our timetabled service to call at our intermediate stations.

Peter Blackburn – MRUG Chair
John Hamley – MRUG Secretary

Graham Ellis – MRUG Vice Chair
Judith Gradwell – MRUG Treasurer
